# Profile

---

I'm an italian DJ, born and raised on the iconic island of Capri, a place where the spirit of "La Dolce Vita" meets timeless beauty.

Since the start of my career, I've performed at over a thousand events for international clients, celebrities, and prestigious luxury brands, bringing my passion for music to audiences around the world.

I'm specialized in destination weddings, exclusive events and curating refined musical experiences for luxury hotels and fine dining venues.

# Wedding & Events

---

With more than two decades of experience in the events world, I am a trusted collaborator for international event planners and some of the most iconic venues across southern Italy and beyond.

Summers see me performing regularly in Capri and the Amalfi Coast, while winters bring me to exclusive destinations like Phuket, St. Barths and other luxury hotspots worldwide.
